

## **Activity Report**

### **The 3<sup>rd</sup> AEARU Medical Center Forum**

Fudan University, Shanghai P.R. China

20 November 2015

**Theme: Open a New Era for International Collaboration among  
Medical Centers at AEARU Universities**

*Venue: Huashan Meeting Hall at Pine city Hotel, shanghai P. R. China:*

#### **Announcement**

In nearly two decades of its history, The Association of East Asian Research Universities (AEARU) has been serving as an advocator for the promotion of original research and continuous improvement of quality of higher education. The endeavors, the devotion, the synergy which bring to this role contribute significantly to innovation process and social progress in science, culture, economy of the region.

With the support of AEARU, it is a great pleasure that the "3<sup>rd</sup> AEARU Medical Center Forum" is hosted by Fudan University and organized by its Shanghai Medical College on 20-21th November 2015.

The forum aims to strengthen a long term partnerships among AEARU Universities with a focus centered on theme of "Open a New Era for International Collaboration among Medical Centers at AEARU Universities". About 8-10 key-note speeches are scheduled during this 2-day forum, which spans 45 minutes including 10-minute comments and 15-minute open discussion.

On behalf of each Medical Center or Health-related Research and Development Center at its Universities in East Asia region, speakers and participants are more than welcome to share and discuss strategic thinking, *ad hoc* cases and approaches

---

addressing the topic as bellow. So honored we are to invite you to join the forum at Fudan University, your involvement and contribution are highly appreciated. We are looking forward to seeing you soon in Shanghai this November.

## Topics

1. How to launch elite medical student training under the Medical Center model
2. How to develop leading research competitive edge under Medical Center model
3. How to develop Medical Center with strategic thinking and practice on translational medicine and precision medicine
4. How to promote international collaboration of medical education in a globalization era
5. How to exploit the advantage of Internet Plus to boost the medical resource integration in a mega-data era

# Invited Speakers list

### The Participants List

#	Name	Institution
1	Sunan Shen	Medical School of Nanjing University
2	Qiudan Sun	Peking University Health Science Center
3	Weigang Fang	Peking University Health Science Center
4	Gengsheng He	School of Public Health, Fudan University
5	Takashi KARAKO (Wei TANG)	Graduate School of Medicine, The University of Tokyo
6	Peipei Song	Graduate School of Medicine, The University of Tokyo
7	Steve Trumble	Melbourne Medical School, University of Melbourne
8	Yingyao Chen	School of Public Health, Fudan University
9	Yan Hu	School of Nursing, Fudan University
10	Yonghao Gui	Fudan University
11	Chouwen Zhu	Fudan University
12	Xiaowen Zhai	Children's Hospital of Fudan University
13	Jingyan Wu	Children's Hospital of Fudan University
14	Tianhao Zhang	Jing-An District Centre Hospital
15	Erli Gu	Jing-An District Centre Hospital
16	Qian Xiong	Jing-An District Centre Hospital
17	Lijuan Mao	Shanghai Public Health Clinical Center, Fudan University
18	Ping Dong	Shanghai Public Health Clinical Center, Fudan University
19	Xiating Yan	Shanghai Public Health Clinical Center, Fudan University
20	Wenjing Dong	Shanghai Public Health Clinical Center, Fudan University
21	Liang Chen	Shanghai Public Health Clinical Center, Fudan University

22	Yaqing Xu	Shanghai Public Health Clinical Center, Fudan University
23	Xiaoyi Shu	Fudan University Shanghai Cancer Center
24	Jinwei Qiang	Jinshan Hospital, Fudan University
25	Yinghui Chen	Jinshan Hospital, Fudan University
26	Zijian Yang	The Obstetrics & Gynecology Hospital of Fudan University
27	Xiao Li	The Obstetrics & Gynecology Hospital of Fudan University
28	Feifei Zhang	The Obstetrics & Gynecology Hospital of Fudan University
29	Minghua Yu	Shanghai Pudong Hospital
30	Wei Liu	Shanghai Pudong Hospital
31	Jing Zhu	Shanghai Pudong Hospital
32	Denggao Zhang	Shanghai Pudong Hospital
33	Xiaojie Han	The Fifth People's Hospital of Shanghai, Fudan University
34	Meng Yuan	The Fifth People's Hospital of Shanghai, Fudan University
35	Jianhua Lin	Huashan Hospital, Fudan University
36	Aifang Song	Central Hospital of Minhang District, Shanghai
37	Li Feng	Central Hospital of Minhang District, Shanghai
38	Wenjie Zhang	Eye & ENT Hospital of Fudan University
39	Nan Qin	Eye & ENT Hospital of Fudan University
40	Maowen Xie	Eye & ENT Hospital of Fudan University
41	Wenhuan Fan	Eye & ENT Hospital of Fudan University
42	Liyun Shen	Institutes of Brain Science, Fudan University
43	Haijiao Han	Institutes of Brain Science, Fudan University
44	Zhijun Bao	Huadong Hospital Affiliated to Fudan University
45	Jie Chen	Huadong Hospital Affiliated to Fudan University
46	Jiaofeng Wang	Huadong Hospital Affiliated to Fudan University
47	Xiaojing Yun	School of Basic Medical Sciences, Fudan University
48	Ye Liu	School of Basic Medical Sciences, Fudan University
49	Ying Zeng	School of Medicine, Tongji University
50	Jiping Xu	School of Medicine, Tongji University
51	Linbin Zheng	Shanghai University of Traditional Chinese Medicine

52	Wenzhong He	Shanghai University of Traditional Chinese Medicine
53	Jiangbo Bao	Shanghai Medical College, Fudan University
54	Jingbo Xie	Shanghai Medical College, Fudan University
55	Li Cheng	Shanghai Medical College, Fudan University
56	Hui Zang	Shanghai Medical College, Fudan University
57	Huanping Ding	Shanghai Medical College, Fudan University
58	Dongbin Chen	Shanghai Medical College, Fudan University
